

Wheel Chair Bag

Material needed

12 ½ x 18 upholstery fabric (2)

20 inch pieces of ¾ inch grosgrain ribbon (2)

Or velcro

With right sides together sew a ¼ inch seam down both sides and the bottom.

Fold top over 1 inch and stitch down.

Fold 1 of the 20 inch pieces of ribbon in half lengthwise and pin in place at the bottom on the inch fold, Center ribbon evenly from each side seam, approximately 3 inches, and stitch down. Also stitch ¼ inch from top to reenforce. Do same with second ribbon.

Sew in half lengthwise from bottom to top to form pocket.

Turn inside out and you are done.

You can square bottom corners of bag if you prefer.

This bag can be tied on wheel chair, walker, or hospital bed.
