## **President's Message**

Yikes! Mother Nature sure did sock it to us in January! Our workshop with Sue Wilson will be rescheduled for sometime later in the year.

Upcoming is our Annual Charity sew-in on February 23rd. Please join us and let's get lots of quilts, bears and pillow pals prepared for those who need them.

Our Quilt Show "Celebrating Quilting" will be held on April 1 and 2. We have two lovely raffle quilts and you can pick up your tickets and pictures at The General Store. They will also be available at the February sew-in.

Volunteers are needed for the Quilt Show setup as well as during the show. Please contact Vicki Seekford at the General Store to volunteer.

Door prizes are needed. Any donations will willingly be taken by Katherine Lewis.

And, as you are cleaning out your sewing rooms this season, please keep in mind our Silent Auction to be held in July. Katherine Lewis will also accept donations for this event.

Until next month,  
Stephanie  
Keep on quiltin'!

## **Minutes from the Board Meeting**

The board unanimously voted to donate \$500.00 to the Quilt Museum in Harrisonburg. The donation was matched dollar for dollar so \$1000.00 will be donated.

## Programs and Workshops

Bette Gove & Kay McCoy

GUESS WHAT! Contrary to what we thought, it's okay to write on your quilt! □ The workshop on March 22, 9-12 is "Quilt Writing" - add words to your quilt with Free Motion Quilting. Cyndi Souder is going to teach us different ways to add free-motion machine quilted writing to your quilts. She will share how to keep the lines straight and how to scale your words to fit the space. She will also discuss threads and how to choose your words and quotes. She will include tips and tricks for controlling your quilt while it is on your machine and how to set an atmosphere conducive to quality work. *If you have tried free motion quilting and want to learn more then please sign up!* **As of today, only 10 people have signed up and our February Guild meeting needs 20.** Cyndi is also scheduled as the program for the guild meeting the same day. Her topic will be "**It is OKAY to WRITE on YOUR QUILTS**". The cost of this workshop is \$27 for guild members and \$32 for non-guild members.

ABOUT Cyndi..."From vision to reality, everything about the quilt process engages me: the initial flash of inspiration, the fabric choices, the design decisions and especially the quilting. I love the process. I work with ideas and techniques that make my heart sing. I love structure-trees, buildings, standing stones. I incorporate words wherever I can and I revel in their graphic nature. I am a Juried Artist Member of Studio Art Quilt Associates and an Ambassador for BERNINA. I have taught and lectured nationally for quilt guilds, quilt retreats and quilt shows. I have taught at the International Quilt Festival in Houston for six years. I look forward to being with you and do hope to see you at my workshop."

**Mark the date April 25th and be ready to be WOWed BY KEVIN WOMACK.** Kevin Womack is a well-known quilter and an accomplished textile artist. Kevin is our instructor for the workshop on April 25, 2016 (9-3). His subject is "Color Study". Kevin loves to work with color and will share how to use tone on tone fabrics. During the class, the participants will assemble 9 star blocks according to different color theories. With all the fun playing with colors, you may not have time to sew your blocks but you will leave ready to sew. There will be a kit of fabrics required. Kevin will also be our presenter at the Tuesday, April 26th guild meeting.

ABOUT KEVIN...Kevin is a textile artist living in Lynchburg, VA. While majoring in sciences at James Madison University, he satisfied his strong interest in art by taking several elective courses. He has continued to pursue his love of art through photography, metals/jewelry, pottery and oil painting. In 1986, his maternal grandmother introduced Kevin to quilting. Having always loved the legacy of family quilts, he decided to have her teach him the tradition. Kevin's love of quilting took off and his passion for fiber art continues. Over the years Kevin has studied with many accomplished textile artists. His recent collaborative work with artist Eleanor McCain was selected for the inclusion Quilt National '13 exhibition and Quilt Visions Biennial 2014. Kevin teaches and lectures nationally and is currently the President of the Bedford Guild.

**On May 23rd, come learn the "magic" of Stack N Whack.** Fay Hill, who many of you know, will teach the technique of stacking fabric and whacking it and who knows until you do it what magic will appear. This technique appears to be quite intricate but it is surprisingly simple and great fun. The technique plays on the repeat of fabric design and is best done with colorful "busy" fabric. Students will make a 50 x 72 throw size in the class (but can chose a larger size if they wish). Pre-class work will be required and instructions will be available for all participants well in advance of the class. **WARNING: THIS TECHNIQUE IS ADDICTIVE!**

Fay will also be our guest speaker at the guild meeting on May 24th

About Fay Hill - Quilting quickly became an obsession with Fay Hill when she came upon a beautiful yellow and blue log cabin quilt at Tamarack in WV while attending a lumber seminar in 1995. When she learned

## Programs and Workshops (cont'd)

it was \$795 she quickly decided that she could make her own; and that set her off on her love of and addiction to quilting. In 1998 she met Kay McCoy planning to go to a nearby quilt shop in Roanoke after a business luncheon. She managed to entice Kay into joining her, setting in place a growing friendship that has continued to this day!

After retiring in 1999, she went to work at Quilted Expressions in Lynchburg where she could "feed" her growing addiction and eventually began helping to teach the Beginning Machine Piecing class at that shop. In 2003 she opened Quilt & Sew Studio after Kathy Farmer closed her shop in Forest, VA. Along with Beginning Machine Piecing, she started teaching Bethany Reynolds' Magic Stack 'n Whack after falling in love with the technique while at Quilted Expressions.

Since our January Workshop (Susan Wilson, Disappearing Hourglass) and Program were cancelled due to the snow, it has been rescheduled for August 22 & 23, 2016.

**Great News! We are now able to accept credit cards as well as checks and cash for our workshops! So stop by the table and see Kay or Bette. We have three really great workshops for you the next three months.**

### Workshop Guidelines 2016

Workshops are special opportunities for a small group of quilters (generally between 10 to 20) to learn new patterns and new techniques, to develop deeper threads of friendship and to obtain valued instruction from the guest speaker.

Please follow these **guidelines** when signing up for a workshop.

- Sign up will begin at the monthly guild meeting three or more months prior to the workshop.
- Three months or more prior to the workshop, the sign up will be offered to our guild members. Two months prior, if the workshop is not filled, the workshop will be opened to other guilds and to the general public at an additional fee. One month prior to the workshop, if not filled, the workshop will be cancelled and payments returned.
- Only people who have signed up AND paid can attend the workshop. You are not considered signed up until your payment is received.
- Once the workshop is filled, a "waiting" sign-up sheet will be made available. If someone drops out of the class, the next person on the waiting list will be called. If you need to cancel, please do not find a replacement unless there is no one waiting.
- Once you have signed up for a workshop and you find you are unable to attend, you will not receive a refund unless your spot is filled. Please contact Bette Gove and/or Kay McCoy as soon as you know you can't come and if applicable, the next person on the waiting list will be contacted. If there is no one on the waiting list, you may find your own replacement. Please advise Bette and/or Kay who this person is and their contact information.

### Weather Cancellations

## *Quilt Show 2016*

Happy February Ladies! Hopefully you are putting your finishing touches on all the quilts you are entering in our upcoming quilt show April 1 & 2, 2016. Remember registration forms are due no later than March 4, 2016. This date will be strictly enforced to give our assistant co-chairs Joyce Moorman and Joyce Noell plenty of time to process and diagram the quilts for hanging.

Something new this year is set-up on Wednesday night, March 30 at 7:00 p.m. This will be for the structure only. Please make plans to join us, bring along any men you may know or if you have young people from your church that would like to volunteer please sign them up. We will have pizza! The quilt hanging will be Thursday morning, March 31. Please have your quilts to us by 10:00 a.m. on Thursday, March 31. We will be there at 8:30 a.m. to receive them. Remember, if you volunteer to help with the hanging of the quilts, there will be a delicious lunch.

Our publicity chair, Dottie Wilson is busy sending out letters and flyers to retirement homes, Virginia/NC quilt and sewing guilds, fabric shops, and visitor's centers. Articles and calendar information will be sent to the Franklin News Post, SML Eagle, Laker Weekly, Country Register, SW Virginia Quilt Newsletter, Bedford Bulletin and Roanoke Times. Show information will also be included in the on-line calendars for TV channels WSLs 10 and 13. Also a future TV spot on Cable channel 12 is in the works to promote the show.

Make sure to tell your friends and family about our stunning raffle quilts. Sell those tickets girls – all the money collected goes back into your quilt guild! The raffle tickets will be available for pick up at the February meeting. There are 10 Green for the SML Quilt and 10 White for the Red and White Quilt, tickets are \$2.00 each. In the past members sold \$20 worth of tickets and with two quilts we have the opportunity to sell \$40 worth of tickets. You may choose to sell \$20 worth and return 10 tickets of your choice. We just wanted to give each quilt maximum exposure since they are both fabulous! Thanks Cindy Clark and Karen Arends and associates for making these beautiful quilts and donating them.

We are still in need of volunteers for many different jobs. Our volunteer chairs Sandy Miller and Alice Vreeland will have sign-up sheets at the February guild meeting or let the co-chairs know where you would like to help out. It is such fun to volunteer and remember if you volunteer you are entered in the drawing to win fabulous prizes at our April meeting! Hope to see all of you at the February meeting, we appreciate your support!

Reminder: Donations for door prizes happily accepted and if you have any gift bags, we would love those too!

### **Charity Report**

Those of you who join us at the Sew-In February 23 from 9am until 12 noon will hear the heart-warming stories of the bears we stuffed last year, with pictures. Nicholas Sparks could gather some great material for his "three hankie" stories by shadowing the Charity Committee as we make our deliveries. Lake Quilter bears and pillow pals are blessings in ways we could not foresee when we made them to "comfort a child". We promise to have boxes of Kleenex on hand as we share the many thanks we have received and the surprising ways some of our donations have been used to bless our neighbors in Bedford and Franklin Counties. You will need a simple hand-sewing kit of needle, neutral thread, and snips or scissors to close our Care Bears after we stuff them. Plan to finish in time for us to attend the Block of the Month Class. Shady Ladies, be prepared to share patterns or instructions for the felt/fleece chemo caps. Most of our bears to be stuffed are flannel, so come warm your hearts and hands at the Sew-In.

### **Block of the Month**

Hello Ladies.....

There will be a Block of the Month at the February charity guild meeting at 12 noon in the classroom down the hall. We will have several blocks to learn, to catch up for the missed meeting in January.

See you then,

Sue Palmer

#### WHAT IS LOCKER HOOKING?

It's a technique that uses fabric strips. You can easily make a mat similar to a traditional rug hooking, but with a twist. The locker hook uses the eye at the end of the needle to draw a string through all the loops you work. This "locks" them in place on the front of the canvas. The fact that the loops lock into place makes the rugs durable, and best of all—washable, when using fabric strips.

What more can a crafter asks for when creating a piece of folk art?
