## President's Letter

Dear Fellow Quilters,

February rolled in like a lamb, and I am hoping it holds out for the whole month so we can celebrate our 30<sup>th</sup> Anniversary with a bang – and cake. The 25<sup>th</sup> of February will be our annual sew-in for charity projects beginning at 9:00 a.m. at Trinity. Bring your favorite stuffing tool and let's break our record for finished bears. All former Presidents of the Guild have been invited to come to our party at 1:00 in the afternoon on the 25<sup>th</sup>, so we will be able to celebrate in style.

Always bring your Show & Tell items to the meetings so we can celebrate your finished project with you. We are still seeking a Chair for the 30<sup>th</sup> Anniversary Challenge, as well as a Raffle Quilt Chair/Team. With more than 100 members, we are hoping these positions can be filled expeditiously.

As we focus on the upcoming Quilt Show (April 17 & 18), keep busy finishing those quilts, and I know it will be spectacular. Sue Whitney, President

- Only people who have **signed up AND paid** can attend the Workshop. **You are not considered signed up until your payment is received.**
- When the Workshop is filled, a "Waiting List" sign-up sheet will be made available. If someone drops out, the next person on the Waiting List will be called. **(If you need to cancel, please DO NOT find a replacement unless there is no one waiting).**
- Once you have signed up for a Workshop and you find you are unable to attend, **you WILL NOT receive a refund unless your spot is filled.**

## BOOK REVIEWS by our Librarian - Marge Weismantel

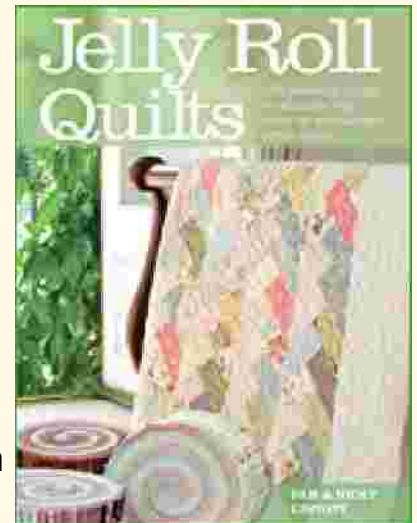

### Loose Change: Quilts from Nickels, Dimes, and Fat Quarters by That Patchwork Place

Nickels, Dimes and Quarters refers to 5", 10" and fat quarters of fabric. Loose Change is unique in that it showcases twelve projects that use a combination of nickels, dimes and quarters in a number of different ways. Due to the flexibility of fabric sizes, the projects in Loose Change lend themselves to fabric swaps with friends and fellow quilters. The instructions for each project include a designation of experience level from beginner to advanced. A number of different techniques are used including straight seam piecing, paper piecing, optional Appliqué and optional embroidery. A general rule of thumb is the wider the variety of fabrics used, the scrappier the look of the quilt project

### Jelly Roll Quilts by Pam and Nicky Lintott

Jelly Roll Quilts has over 400 Amazon reviews averaging 4.7 out of 5 stars! A jelly roll is a roll of 40 fabrics cut into 2 1/2" strips that are color coordinated and rolled up to a solid disc tied with a ribbon. Many quilters prefer working with precut fabric such as jelly rolls because it saves a great deal of time and effort. Working with precut fabric can also cut down on leftover fabric scraps. Jelly Roll Quilts gives complete instructions on how to make 15 quilts of varying sizes and levels of difficulty. It must be noted that one of the best things about putting together a jelly roll quilt is that it can often be assembled in only one weekend

**Attention Guild Members.....** Some of our older books have been pulled out of the guild library (books from the 1990s) & will be **available at guild meetings for \$1.00 each.** I'm still in the process of sorting through each of the topics in the library so I will be bringing the older books to the meetings for the next few months.

Do you know a member in need of a 'Get Well,' 'Sympathy,' or 'Thinking of You' card?

If so, please contact Linda Walters, Sunshine chairman at [lindaw@shentel.net](mailto:lindaw@shentel.net)

## Meet Our Members

### Linda Walters

Having served as newsletter editor and secretary after joining the guild in 2012, Linda Walters is our current Sunshine person. She is also a member of the Southside Bee. Although Linda has only taken 3 classes at the guild, she loves to learn new techniques and is particularly fond of the annual round robin meeting.

Since moving to Union Hall from Virginia Beach in 2011, she is kept busy with her family, including her husband, Dan; 3 children and 7 grandchildren. Prior to relocating to the lake, she was a full time mom and second grade teacher before retiring in 2010.

Twenty-five years ago Linda took a quilting class with her church circle in Virginia Beach, using the quilts to raise money for their missions. Around 2010 she joined a quilting group with a church friend, and as they say... the rest is history.

As with most of today's quilters, most of Linda's quilts are machine quilted, but she does enjoy hand quilting as well. Linda finds all techniques interesting, but her preference is pieced quilts, and her favorite color palette is blues and greens. The Stack and Whack technique is on her "to do" list, as is learning to knit and crochet.

Like so many of us, her New Years Resolution, EVERY YEAR, is to finish the millions of UFOs she has before starting another new project. While making progress on that front, there are still many to go. Since her Hunter's Rapid Fire Star took two years to find the fabrics and three more years to complete it, finishing those UFOs might take a while. She did finish a Tee-shirt quilt for her great niece, which surprised even her since she had no idea what she was doing.

Linda wishes she had a Bernina. She is happy to have an Elna, her favorite, Janome and Baby Lock serger to use in her sewing room, with her brand new sewing table made for her by Dan. As with most creative minds, her sewing room looks like a creative genius works there.

Linda is never far away from sewing needles. She does smocking for her grandchildren, household design items, and sewing for Children's Assistive Technology Services (here at the lake).

This city girl loves the beauty of the lake and the warm, friendly people here. When not involved with needlework, Linda loves gardening, travel, mahjong, BUNCO, crossword puzzles, being involved in her church and exercising at the "Y".

Now that you know something about this member, introduce yourself to her at the next Guild meeting.

by Sue Wilson and Linda Walters

## Every Quilt has a Story, Every Story has a Quilt

*This is a condensed version of the story of the quilt that we used on the show flyer. We have obtained Susan's permission to shorten this and put it in this newsletter. She has been quite supportive of our theme and the use of her work with the theme.*

"Gretchen Marie: Her Girlhood." 12"h x 11"w #375  
begun 8-12-09, finished 10-13-09.

Painted and quilted fabric book. 16 whole cloth paintings bound together, with eight double sided and quilted pages in all.

Gretchen is my only child, so when she was born, it was a huge event and felt like a miracle. Now that she has a five year old daughter, it felt really good to create a book of the story of Gretchen's life up to age 15. Not only can Eva read and see what her mother's life was like as a child, but Gretchen can understand her early life a bit more from my point of view.

I began the book with me being pregnant, going through Gretchen's birth. The stories move through her preschool days and ballet classes, up through when she and I went to Oregon on the Greyhound Bus. I tell of her adventures with her girlfriends. One of my favorite pages is of her playing Chutes and Ladders with my mother, Gretchen's Panny.

The front cover is of Gretchen's 10th birthday, when Jimmy and I gave her the vintage Hey, Diddle Diddle cookie jar, filled with her favorite cookies: Nabisco Mystic Mints. (I didn't have any old photos with me at the class, but I had vivid memories, so I just drew and hoped my Gretchen faces would look like her. It was probably better that way, as I just drew and didn't have any image studying to slow me down.) I added some roses around her and her cookie jar, to show how sweet and loving that day was.

I enjoyed making this book, more than I could have imagined. The processes are the same ones I use in making my art quilts, which are really sewn up paintings. And somehow, holding the little paintings in my hands in this bound form, the story feels more intimate than it would in a paper version of a book.

--- Susan Shie, proud mother, January 11, 2010, in Wooster, Ohio.

### Charity Report February Sew-In

Care bears, lap quilts, and baby quilts have been our Charity focus over the years as we carry out our mission to "comfort a child". On Tuesday, February 25th, at 9:00 am the Lake Quilters will start by stuffing and sewing up our 2020 batch of bears. For those who plan to machine stitch bears before stuffing, bring your machine with neutral thread. Those who plan to sew up the stuffed bears, please bring your favorite hand-sewing needle, neutral thread, thimble and snips. As usual, there will be extra thread and snips provided, along with stuffing aids and band-aids.

For each Bee, there will be a packet containing a pattern (with instructions) for each of our most requested donations - Christmas Stockings\* - Walker Bags\* - Wheelchair Bags\* - Small Wheelchair/Bedrail Bag\* - Bears - Pillow cases - Fidget quilts. Also included will be patterns for Bibs (2 kinds), Bags of Hope\*, simple lap quilts, Wheelchair Lap Quilts (with handwarmers). For those of you not in a bee, there will be extra patterns for you and a sewing buddy. Thanks to generous fabric donations, there will be fabric (and notions) available for patterns with an \*. We have plastic storage bags for those who wish to make a kit (pattern plus fabric) to take home. There will be a sample of each charity project for reference or inspiration.

If you are not into sewing, stuffing, or hand-stitching to finish bears, you may want to bring your machine with neutral thread, pick up one of the donated fabric packs with a simple lap quilt pattern, and make a quilt top before lunch. Too tired to pack up your machine and haul it to the Guild meeting? Help us put donated fabric, notions, and patterns into kits to be used for charity this year. Fabric and patterns, cutting mats, rotary cutters, and plastic storage bags will be provided. Until then, stay warm and happy quilting. Questions? Just email me at [bettyjhuffman@embarqmail.com](mailto:bettyjhuffman@embarqmail.com)

## BLOCK OF THE MONTH

The River Queen Bee will be presenting the Block of the Month this year. The over all theme is "A Quilter's Diary", with mini themes each month. There will be two blocks presented each month. You get to choose which blocks you want to make and how many of them total. You get to decide what you want to make with them. For February, we will take a break from sewing at noon to see the presentation. Dottie Wilson and Linda Pote will teach blocks representing "friends". Remember there will be a charge for copies.

## News from the Beehive.....

During the past year at the Guild meetings, I have presented each displaying bee with a Bee Hive fabric panel and offered them a challenge to make something with it that could some how be used at bee meetings or other bee functions. BJ Jensen of the Quilt Show committee thought it would be neat if these challenges could be displayed in the Bee room at the Quilt Show. I would LOVE that! Hopefully you all can get your creative juices going and have something put together by April! If your bee did not receive one but would like one, let me know.
